

Understanding the End of the Eviction Moratorium And What Lies Ahead

What is the impact of the end of the state eviction and foreclosure moratorium and the implications of the federal eviction moratorium put in place by the Centers for Disease Control and Prevention (CDC)?

**Hear from experts to learn how the state eviction process has changed.

What can we do to keep people safely housed? How can we support rental property and other homeowners and keep our neighborhoods stable?

Please join us for a panel presentation on **Thursday, October 22nd from 10 AM to 11:30 AM**. We will review available resources, present the basics of the federal CDC-initiated moratorium and hear about proposed responses.

Panelists include:

- Kayla Allen, *Program Director*, Dispute Resolution Center, Berkshire County Regional Housing Authority
- Laura Camara, *Senior Attorney*, Justice Center of Southeast Massachusetts
- Ann Jochnick, *Housing Attorney*, Massachusetts Law Reform Institute
- Ellen Schachter, *Director*, Somerville Office of Housing Stability, formerly of Cambridge and Somerville Legal Services
- Kathy Facchini, *Housing Services Director*, NeighborWorks® Housing Solutions, the administering agency for Residential Assistance for Families in Transition (RAFT) and Emergency Rental and Mortgage Assistance (ERMA)

**“Housing stability helps protect public health because homelessness increases the likelihood of individuals moving into congregate settings,”
“which then puts individuals at risk for COVID-19”**

**US Department of Health and Human Services, Centers for Disease Control and Prevention,
Federal Register Notice September 4, 2020**

Please join us on **Thursday, October 22nd at 10 AM** via zoom for the presentation and a brief question and answer session as we negotiate these challenging times.
